EFC 757: GENDER AND SEXUALITY COUNSELLING

TIME: 3 HRS

INSTRUCTION:

Answer any FOUR questions. Credit will be given ~~for~~ logical presentation of ideas.

1. Patriarchy is a major barrier to gender equity in many parts of Africa. Define this ideology and discuss the various ways in which it is promoted in Nigerian societies.
2. Sexual dysfunctions are problems which disrupt the normal sexual response cycle. Identify common sexual dysfunctions among men or/and women and discuss factors that are likely to make Nigerians develop one of the identified sexual dysfunctions.
3. Account for the high prevalence of sexual harassment in Nigerian tertiary institutions and proffer appropriate solutions to this phenomenon.
4. What are sex stereotypes? Discuss the probable influence of sex stereotypes on the sexual behaviour of a typical Nigerian adolescent.
5. Sexual rights have been described as a fundamental element of human rights. Discuss the components of sexual rights and examine the barriers militating against it in a typical African society.
