

COURSE CODE : EFC 759 (Ph.D)

COURSE TITLE: HIV/AIDS COUNSELLING

INSTRUCTION: ANSWER ALL QUESTIONS

TIME ALLOWED: 3 HRS

Question 1: There have been reports that people living with HIV/AIDS (PLWHA) will not want to disclose their status because of stigmatisation. What is stigmatisation? What are the forms of stigmatisation? and as a counsellor what will you recommend for the PLWHA.

Question 2: A client living with HIV/AIDS was referred to you from ante-natal clinic for counselling support. She confessed to you that her husband is not aware of her HIV status. What are the ethical/moral dilemmas about this case? how will you help the family and what are your limitations.

Question 3:

One can confidently say that HIV/AIDS is a forgone matter. How true is this statement as related to the epidemiology?

Question 4: What are myths and what are the facts about HIV/AIDS?
